# OPERATION SUMMER CAMP

SUPPORTING MILITARY FAMILIES

Powered by JWB Jewish Chaplains Council®

## WHAT?

JWB Jewish Chaplains Council®, a signature program of the JCC Association of North America, with the generous support of the Marcus Foundation, is proud to bring the joys and values of Jewish summer camp to children from Jewish military families by welcoming them into the JCC Movement's network of overnight camps, the largest on the continent.

## WHY?

**Operation Summer Camp: Supporting Military Families** will ensure that Jewish children in military families stationed around the world can enjoy the many pleasures and benefits of JCC summer camp:

- A "home base" to which to return annually
- Year-round engagement opportunities and points of connection
- Friendships that transcend time and geography
- The opportunity to build a strong Jewish identity and a lifelong commitment to Jewish life

## WHO?

**Rising third, fourth, fifth, sixth, seventh, and eighth graders** who are being raised in a Jewish home and have at least one parent currently serving on active duty or discharged from the U.S. armed services within the last five years are eligible to apply for a scholarship. Funds will cover the cost of up to four weeks at a JCC Movement-affiliated overnight camp for at least two summers.
